HARDY NEWTON

RANCHMAN AND HIS COOK FOUGHT BANDITS BAND

Ranch House Was In Clearing and Hard to Get to—Two Bandits Were Killed and Three Wounded—No Fights Today.

[By Associated Press.]
Brownsville, Tex., Sept. 25.—While no further trouble has been caused for the United States soldiers in the brush warfare with Mexicans, a report reached Brownsville today of a battle late yesterday between J. B. McAllen, a millionaire ranchman of this city, assisted by a woman cook, and a band of Mexican bandits who tried unsuccessfully to rush the ranch house in Hidalgo County. Two of the bandits were killed and three wounded. The McAllen home was in a clearing, making approach under fire difficult and dangerous. The bandits retired after seeing their losses were so heavy.

THIRTY KILLED IN GENERAL MELEE

Thousands of Shots Fired in Streets of Cananea, Mexico, Tuesday.

[By Associated Press.]
Washington, Sept. 25.—Thirty persons were reported killed when thousands of shots were fired Tuesday afternoon in the streets of Cananea, Mexico. No foreigners appear to have been injured, but 20 Americans are reported fleeing in automobiles toward the border. It has been definitely established, according to official statements today, that in some instances hostilities with Mexicans along the border have been provoked by deputy sheriffs and civilians on the American side. General Funston has made representations to Governor Ferguson and strict orders have been issued against a recurrence of such troubles.

Confessor Attempted Robbery and, Failing, Killed His Victim.

[By Associated Press.]
Philadelphia, Pa., Sept. 25.—John Frank Anderson, who claims to be from a well to do family in Ardmore, Okla., today confessed, the police say, to killing James Campbell, a saloon keeper, here last night after attempting to hold up the latter. His purpose was robbery, Anderson said he came to Philadelphia seeking work as a machinist, but failed, and then decided upon the holdup.

AUSTRIAN CASUALTIES IN WAR

Many Killed and Wounded—Few Prisoners—Equipping New Army of 40,000.

Melbourne, Australia, Sept. 25.—(Correspondence of the Associated Press.)—The number of casualties among the 76,000 men that Australia has sent to war was made known by Premier Fisher in a statement to Parliament today. The losses, including the men who died in Egypt and en route since the embarkation of the first contingent in November, 1914, now total some 13,976, he said, of which he gave the following classification:

	Officers.	Others.	Total.
Dead	177	2,855	3,032
Wounded	356	8,756	9,112
Missing	11	725	736
Sick	94	992	1,086
Prisoners	2	5	10

The Premier stated that 40,000 troops were now in preparation for the front, and that by early winter the Australian expeditionary forces, not counting losses, would have reached a total of 117,000.

DID U. S. TROOPS CROSS BORDER?

Being Discussed at Washington—Funston's Authority Is Not Limited.

[By Associated Press.]
Washington, Sept. 25.—There is talk here of the American troops crossing the border in yesterday's serious clash between American troops and Mexicans on the border thirty-five miles up the river from Brownsville. General Funston's authority to act in such cases is hardly limited, it is said.

Advantages — For Your Wife

Many a car that looks good from a superficial examination is often found to be very incomplete and lacking in many conveniences, after it has been purchased.

Nowadays all cars run but some run with considerably less bother than others.

In this respect the Overland has many desirable advantages — advantages that will appeal particularly to your wife.

All electric controls are located on the steering column — within natural reach. Nothing could be simpler or more convenient.

The clutch and brake pedals are adjustable to any angle. Another convenience.

Also, they "give" with practically no effort. One does not have to strain in order to apply the brake or disengage the clutch.

The steering wheel is large and turns very easily. Strength is not a bit necessary. A young girl can handle it.

The shifting lever is handy and shifts readily. It is placed so that it in no way interferes with either the driver or other occupant of the front seat.

All storm curtains can be put on in a few minutes, without getting out of the car. They are arranged so that they almost fall in place.

These few things are indicative of Overland comforts and conveniences. Your wife will appreciate them.

Compared with other popular-priced cars, the Overland has many decided advantages.

Our dealer will be glad to go into detail.
